Analytics (DHA 2024)

Beijing Institute of Technology, China

August 16-18, Zhejiang Jiaxing, China

Invitation Letter

Dear Sir/Madam,

Greetings to you.

We cordially invite you to our International Conference on Digital Health and Medical Analytics (DHA 2024). It will take place on August 16-18 this year at Yangtze River Delta Research Institute (Jia Xing), Beijing Institute of Technology.

The aim of DHA 2024 is to bring together a wide spectrum of researchers, industry/start-ups and healthcare practitioners. DHA 2024 covers multidisciplinary subjects that can include communities of practice and social networks, analytics and engagement with tracking and monitoring wearable devices, big data, public health surveillance, persuasive technologies, epidemic intelligence, participatory surveillance, emergency medicine, serious games for public health interventions and automated early identification of health threats and responses.

The registration fees of this conference for scholars out of mainland of China are 350 ponds. And you have to take care of travel expenses by yourself. By attending this conference, you will have the chance to meet and have conversations with elite scholars in digital health management field. Your presence at our conference will be much appreciated.

With Warm Regards,
